

Shared futures : Leadership for family business

Do you have a plan for the continuation of your family's next generation of business leaders? Join our forums to explore the potential leadership scenarios for your family business. Experts in the field will inspire you with their stories and experience in multigenerational family businesses, and provide you with strategies for successful transitions.

Forum program:

- Presentation from our key-note speaker
- Q & A with subject experts
- Workshop #1 for those planning stepping back from the leadership of the business
- Workshop #2 for those considering stepping up to leadership of the business
- Sharing of ideas from the workshops

This forum is brought to you through the generous support of the Kyamba Foundation

Forum locations:

Tuesday 29th May 6.00pm-9.00pm
Quality Hotel Wangaratta Gateway

Keynote speaker: Martin Tobin

Martin Tobin is a recognised thought leader within the Australian family business community. Drawing on his background as a solicitor, and previous leadership experience as CEO of Tobin Brothers Funerals, and Victorian Chairman of Family Business Australia, Martin is uniquely placed to provide creative input to Australian small to medium sized enterprises, particularly family-businesses, across a range of industries.
